

Nasir Khan

CSE GRADUATE | BUILDER

nasirkhan496088@gmail.com • +880 1968 193900 • linkedin.com/in/imnasir33 • github.com/Imnasir-X

■ PROFILE

Recent CSE graduate who builds full-stack systems from the ground up. Strong in analytical thinking, process automation, and shipping real operational tools. Eager to apply this builder's mindset to solve problems in a fast-paced telecom and digital environment.

■ EXPERIENCE & PROJECTS

- ★ **Founder & Engineer — Kormoo / FactoryOS (MVP)**

Jul 2026 – Present

Bengali-first factory operations platform for small garment factories

 - Designed and built an end-to-end system that replaces traditional khata for production, expenses, attendance and orders
 - Implemented multi-tenant architecture, role-based access, OTP authentication and operational workflows
 - Owned the full stack: database design, business logic, mobile-first UI and WhatsApp integration
 - Currently in MVP / Release Candidate stage with real operational loops
- ★ **Content Operations & Engineering Intern**

Jun – Jul 2026

10 Minute School — Bangladesh’s Largest EdTech Platform

 - Executed HSC content migration and quality checks across multiple modules in the CMS
 - Built Google Apps Script + Google Sheets automation to track recording IDs and migration status, reducing manual work
 - Collaborated with content and engineering teams to meet daily delivery targets
- ★ **Independent Builder — theageofgenz.com**

Apr 2025 – Jan 2026

Full-stack digital media platform

 - Independently designed, built and ran a full-stack news & media platform in production
 - Owned the complete stack: backend, frontend, database design and deployment
 - Built content systems and automation workflows for continuous publishing
 - Shipped continuous feature updates based on user feedback and production analytics

■ SKILLS & WORKFLOW

LANGUAGE & FRAMEWORKS

Python, JavaScript, TypeScript, Django, FastAPI, React.js, Tailwind CSS

TOOLS & WORKFLOW

Excel, PowerPoint, Google Sheets, Google Apps Script, Git, PostgreSQL, REST API Design, System Design

■ EDUCATION / CORE COMPETENCIES

B.Sc. in Computer Science & Engineering

East West University, Dhaka

2021 – 2025 | CGPA: 3.18/4.00

Higher Secondary Certificate (Science)

Dhaka College

2015 – 2017

- > Strong analytical ability applied to real product and operational decisions
- > Process automation and operational efficiency (Apps Script, Sheets, CMS)
- > Cross-functional collaboration with content and engineering teams
- > Self-starter who takes full ownership and adapts quickly to new tools
